SUMMARY

Front-End developer with about a year of experience in maintaining and building web pages. **Seeking for new opportunities and challenges that will expand my skill set.**

SKILLS

React.js / Next.js / Tailwind CSS / Styled-Components / Typescript / JavaScript / HTML / CSS
Framer Motion / Prisma / Node.js / Express / Git

EXPERIENCE

Commerce League, Seoul, South Korea

2022.07 – 2022.11

Front End Developer (React)

- Implemented various logs (Google, Facebook and Airbridge) to track and gather data for analyzing users' patterns.
- Developed new features on pages to improve users' experience.
- Participated in projects for users to motivate and encourage them to use our platform. Implemented the pages with design and backend teams.
- Successfully collaborated with other developers and designers to continually expand application capabilities.

PERSONAL PROJECTS
