## PROFESSIONAL SKILLS

---

Innovative Front-End developer renowned for delivering impactful web solutions across diverse industries. Adept at designing, developing and rigorously testing complex web applications, employing a versatile range of technologies to enhance user experiences and drive optimal results.

## EXPERIENCE

---

### Front End Developer - React

Commerce League, Seoul, South Korea | July 2022 - November 2022

- Implemented various logs (Google, Facebook and Airbridge) for user pattern analysis to increase application usage.
- Translated complex design specifications into interactive user experiences, fostering higher user engagement and increased application traffic.
- Collaborated closely with designers and back-end developers to create and enhance user interfaces, leading to the successful completion of 3 projects.
- Communicated project progress effectively through tools like Slack, Zoom, and Jira within cross-functional teams.

## PROJECTS

---

### Simply-Run

Team Project | January 2024 - present

- Working with the design and backend teams to develop a community site for runners in South Korea using React.js, Tailwind CSS, and TypeScript.

### CHCHATS

Personal Project | [Website](#) | [GitHub](#) | May 2023 - September 2023

- Created a Korean community website for U.S.-based Koreans using React.js, Next.js, Tailwind CSS, and Prisma.
- Designed a fully responsive interface using Tailwind CSS for optimal user experience across devices.
- Implemented i18n support for both English and Korean languages.
- Developed a customized text editor with Tiptap, elevating user interactions.

### Donorticon

Team Project | [GitHub](#) | February 2022 - March 2022

- Collaborated as a full-stack developer with a team of three to create a donation website, repurposing unused mobile vouchers for a meaningful cause.
- Designed and developed a fully responsive website using React.js, Styled-Components, Node.js, Express, and MySQL.

## EDUCATION

---

### Code States | Advanced Software Engineering Bootcamp

- Completed March 2022

### Chung-Ang University, Seoul, South Korea | Bachelor of Science in English Language and Literature

- Completed February 2014
- Academic scholarship for academic excellence (Fall 2012, Spring 2013).

### Hotel Institute Montreux, Montreux, Switzerland | Degree in Hotel Management

- Completed February 2010

## SKILLS & TECHNOLOGY
